

HALE PARISH COUNCIL

OF THE HALTON BOROUGH IN
THE COUNTY OF CHESHIRE

**MINUTES OF THE ORDINARY PARISH COUNCIL MEETING
OF HALE PARISH COUNCIL HELD IN HALE VILLAGE HALL
ON MONDAY 22nd JANUARY 2024 AT 7.30pm**

Present: Cllr Cleary, Cllr Brown, Cllr Healey, Cllr Anderson, Cllr Trevaskis,
Cllr Williams, Cllr Roberts, Cllr Lewis, Cllr McNamara

In attendance: The Clerk, PCSO Steve Marnick and Twenty Eight members of public
were also present

- 1. Election of Chairman** – Due to the resignation of the Chairman the deputy chairman prepared to chair the meeting as directed by the current standing orders. It was noted by Cllr Trevaskis that the election of a new Chairman should now take place and be overseen by the deputy. On that basis he proposed that the agenda be followed and a vote to install a new chairman should take place. This was seconded by Cllr Roberts.

The Deputy Chairman did not agree and would not accept the opinion of Cllr Trevaskis. He insisted that he was following the standing orders of Hale Parish Council and would continue to chair the meeting. Cllr Trevaskis informed the meeting that there was no section of the Standing Orders that would prevent the motion from proceeding and that legislation permits the Council to elect a Chairman.

Cllr Cleary refused to hear the voices of members and continued to Chair the meeting

- 2. Apologies** - There were no Apologies received by the Clerk
- 3. Declarations of Interest** – No Declarations of interest were received
- 4. Public Participation** – The Chair advised participants that he would be adhering strictly to the allotted time (3mins) permitted for each contributor.
 - i. A local resident enquired about the letter which was agreed at the previous meeting apologising to the Clerk for his suspension and advising him of his re-instatement. She said that it was her belief that residents should also be fully advised about the allegations made against the Clerk as there are residents who do not know the true facts and may have drawn wrong conclusions.

The chair said that he would write the letter of apology and send it to the Clerk. The matter will be addressed further in item 18 of this agenda

The resident went on to enquire about eight cancelled meetings in the previous year and stated that legally, meetings should be arranged and attended by the Clerk & members until they are found to be non-quorate by absence. At this point such a meeting can be cancelled by the Clerk.

- ii. A second resident made a statement regarding the Budget & Precept for 2024-25. He noted that a larger than usual budget would be required due to the cutbacks made in 2023-24 and highlighted the fact that the finance committee had “decimated” the precept in 2022/23 and as a result assisted funding of the Village Hall will be needed to replenish reserves to meet practitioners guidance. He insisted that the Hall cannot currently run on the hire income alone but that it needed to continue to have the infrastructure to provide a credible facility for the use of residents and hirers.

Cllr Cleary cited a number of what he called “vanity Projects” which he believed had been prioritised in previous years at considerable expense.

The resident noted that a saving of £14 (.26p per wk for band D property) per year had been achieved in 2023-24 but that it had contributed to the shortfall in the current years funding. In addition an increase in inflation of up to 11% had been experienced nationally and as a result the hall could face the prospect of closure. He went on to say that the three current staff had been diligent in their contribution and had worked, unpaid during the current difficulties. He asked that the staff be respected and considered when the budget is set.

Cllr Cleary stated that he believed that the Village Hall had received over £34 000 worth of funding since its opening and that it was unrealistic to continue supporting it. He stated that an attempt to employ outside advisors on a consultancy basis to assist with the management of the Hall had been resisted by members of the Council.

It was noted by another resident that prior to the Covid-19 Pandemic the Village Hall was close to balancing its finances but that the closure and reduced usage had impacted the situation severely

- iii. A request was made by a local shop keeper for the Parish Council to contact the landlord of the shops in Town Lane and ask him to arrange to clear the rubbish which has built up at the rear of the shopping area. It was estimated that it could cost up to £1000 if done by the current tenants which is unreasonable.

PCSO Steve Marnick was present at the meeting and announced that he would contact Halton Borough Council and ask for assistance with this matter.

5. **Minutes.** - The minutes of the Ordinary Meeting of 20th November 2023 were amended to record current bank signatories and the fact that jubilee funds had been re-allocated to purchase picnic benches for Hale Park and not for signage as previously thought.
