HALE PARISH COUNCIL

OF THE HALTON BOROUGH IN
THE COUNTY OF CHESHIRE

**DRAFT MINUTES OF THE ORDINARY MEETING
OF HALE PARISH COUNCIL HELD AT HALE VILLAGE HALL
ON MONDAY 17th FEBRUARY 2025 AT 8.00pm**

Present: Cllr Roberts, Cllr McNamara, Cllr Lewis, Cllr Healey, Cllr Trevaskis,
Cllr Wright, Cllr Hutchinson, Cllr Anderson

In attendance: PCSO Steve Marnick, The Clerk, and seven members of public were also present

- 1. Apologies** – No Apologies were received from Cllrs Cleary or Williams
- 2. Declarations of Interest** – No declarations of interest were registered
- 5. Police Report by PCSO Ste Marnick** – It was agreed that PCSO Marnick should give his report at this point in the meeting as he was on duty and had other matters to attend to outside this meeting.
PCSO Marnick reported on the three month period between November 2024 and February 2025. He stated that although Hale is very quiet he felt he needed to highlight issues such as burglaries, off road biking and electric bike thefts as the main issues he faces on a daily basis. He was very pleased with the overall state of Hale Village and commented on the lack of crime in and around the area. He especially described his frustration at the problems that parking illegally and speeding creates, especially around the school areas. PCSO Marnick encouraged all residents who witness inconsiderate or dangerous traffic issues to call the police authorities on 101 or on Crimestoppers. He stated that offenders need to be caught in the act of breaking the law but that if an image or photograph can be sent to him he will visit the offender at their home and have a conversation with the person about the alleged offence.
- 3 Public Participation** – The meeting was keen to get the views of PCSO Marnick in respect of what can be done by the community to discourage inconsiderate and illegal parking. It appears that although there are other pinch points the main areas of concern in Hale are Church Road, Town Lane and Hesketh Road. PCSO Marnick described the extremely limited resources available to the local Police force and encouraged any local residents with an interest to issue informal tickets to deter parking violations

The lack of resources available has also impacted the Police's role in stewarding local events with the responsibility for safety being shifted to the organisers. Road closure, stewarding, proper documentation and co-ordination with the higher tier authority should now be the business of the organiser he stated

The need for Equality, Diversity and Inclusion (EDI) training for a public sector organisation such as the Parish Council was discussed. There was an emphasis on the importance and awareness of the needs of neurodivergent individuals and people with disabilities. There was some caution expressed about the potential overreach of EDI training and a common sense approach was called for in addressing this community issue. It was agreed that appropriate training will ensure that events are inclusive and accessible to all members of the community

- 4 Minutes.** –The minutes of the Ordinary Meeting of 20th January 2025 were approved as a true and accurate record

Proposed by Cllr Joe McNamara

Seconded by Cllr Gary Wright

The Motion was approved unanimously

- 6. Accounts** – Cllr Wright proposed that the Accounts, having been reconciled to the bank statement and summary of receipts & payments 31st December 2024 - 11th February 2025 be accepted as a true and accurate record and comparison against budget. This was seconded by Cllr Healey

The Motion was approved unanimously

- 7. Invoice Sampling** - In line with financial regulation 2.2 The Council appointed member has checked and signed the reconciled account against original Unity Bank Statements and reported to the Parish Council any exceptions.

Cllr Wright proposed to accept the records and this was seconded by

Cllr J McNamara

The Motion was approved

- 8. Budget & Precept.**

- i. A balanced Budget of **£58,800** plus reserves of **£15151.60** for the financial year 2025-2026 (FY2526) was agreed

Proposed by Cllr Roberts

Seconded by Cllr J McNamara

The Motion was approved

- ii. A precept request of **£62,432.62** was agreed and the Clerk agreed to submit a request to Halton Borough Council for the same to finance FY2526

Proposed by Cllr Trevaskis

Seconded by Cllr Lewis

The Motion was approved

9. Family Bake Off Day – It was resolved that a family baking competition & afternoon tea event will be held at 2pm – 4pm on Saturday 22nd March 2025 in Hale Village Hall. Initial produce for the event will come from donations held by Cllr Roberts. It was agreed that the need for help and assistance is important and that volunteers will be required. A large number of potential entrants have expressed an interest and local community groups are being asked to supply entrants

10. VE Day 80th – 8th May 2025 – The Chairman suggested that an event similar to recent National commemorative events should take place. It was agreed to check the date of the 4th May for availability of the Village Hall with the possibility of the Freemen providing a bar. It was suggested that local residents could be able to provide military vehicles and that the Clan Wallace Band could be available to provide a procession. A lone piper could be available for the reading of a proclamation. If required, permission should be sought from Halton Borough Council however a member of the public noted that provided the procession keeps moving and the correct signage is displayed there should not be an issue with road closure being required.

A member of the public asked whether it might be possible for a light to be displayed in the lighthouse at Hale Head as was the case in recent events.

11. Liverpool John Lennon (LJLA) - An Update and report by Cllr J McNamara – Cllr McNamara confirmed that he has invited two members of Liverpool John Lennon Airport (LJLA) management Committee to attend the March Parish Council meeting. He will inform the Clerk in due course about their potential acceptance and an agenda discussion item will be added to the March meeting.

At a recent meeting of the airport management committee the attendees were informed that all landing aircrafts are held to strict landing patterns at clearly defined heights and directions. In addition the state of all aircraft using the facility are rated for their quality including a noise rating. The quality was found to be very good.

Finally, it was noted that only one or two local residents have contacted LJLA about noise and pollution. Without a larger number of complaints the airport will continue to operate as it currently does. A local resident was asked to bring along anybody who has issues in respect of noise or pollution to the Parish Council meetings and their views can be discussed and recorded.

The Chair Closed the Meeting at 10.00 pm

Secretariat

Mike Jones, Secretary

1 **APOLOGIES**

Apologies for absence had been received from:
Councillor Martin Doyle, Cheshire West and Chester Council
Paul Farrell, Environmental Health, Liverpool Council
Councillor Liz Grey, Wirral Council
David King-Hele, Environmental Health, Wirral Council
Ian Rushforth, Environmental Health, Liverpool Council
Carl Spurling, Passenger rep

2 **DECLARATION OF INTERESTS**

There were no declarations of interests.

3 **APPOINTMENT OF CHAIR**

The Secretary invited members of the Noise Monitoring Sub-Committee to appoint a Chair for the forthcoming year.

Councillor Bill Woolfall was nominated by Norman Elias, seconded by Councillor Terry Powell. As no other nominations were received, it was:

Resolved – That Bill Woolfall be appointed Chair of the Noise Monitoring Sub Committee until the first meeting of 2026.

4 **APPOINTMENT OF VICE CHAIR**

The Secretary invited members of the Noise Monitoring Sub-Committee to appoint a Vice Chair for the forthcoming year.

No nominations were given so the matter was deferred to a future meeting.

5 **CHANGES IN MEMBERSHIP**

There were no changes in membership to report.

6 **MINUTES OF LAST MEETING**

Resolved – That the minutes of the meeting of the Noise Monitoring Sub-Committee held on Friday 1 November 2024 be approved as an accurate record.

7 **NOISE COMPLAINTS LOG**

The Environment and Safeguarding Advisor introduced the Noise Log for the period 1 October 2024 to 31 December 2024 with details of aircraft movements, day and night (night being 2330 to 0600) flights and runway orientation. He then provided graphs for the numbers of complaints analysed by day, numbers of complainants and area, with comparisons to the previous year. It was clear that volume were driven by a small number of regular complainants.

Members queried the volume of complaints relating to night flights and the available methods of complaint. They also queried the term 'Quota Count Points' that restricts the noisiest aircraft at night. This was explained as the noise value of specific aircraft types and engine configuration.

The Head of Environment and Sustainability explained the Aircraft approach altitude using illustrations to show the 3% glide path from about 7.5 nautical miles (nm) for runway 09 and 6 nm for runway 27, showing how aircraft got lower as they approached the runway. The point at which aircraft aligned with the runway, over western Wirral, approaching on runway 09 would typically be descending from about 2,250 feet on the west on a 3 degree glide slope.

8 **AIRSPACE CHANGE**

The Head of Environment and Sustainability updated members on progress of Liverpool John Lennon Airport's Airspace Change Proposal (ACP). The Airport sits within the Manchester Terminal Manoeuvring Area (MTMA) with three other airports (East Midlands, Leeds-Bradford (LBA) and Manchester), and the National Air Traffic Service, NERL, for the upper airways (>7,000ft) that had to work together to achieve holistic integrated systems. At the

moment LBA have not passed through their CAP1616 Stage 2 Gateway, and everybody was waiting to see what was happening with Doncaster Sheffield Airport (DSA) as they were to be included which would require changes to the design that was tested in the June 2024 simulation exercise. The implementation date was envisaged to be moved back to the Winter of 2030 to reflect the above challenges.

The consultation report on the 'Single Design Entity' (or UKADS) was expected in the near future. The new UKADS would act as a single designer to balance the potentially competing proposals across the country but would start in the South East.

9 **DATE OF NEXT MEETING**

The next meeting was confirmed as 9 May 2025 in the New Cavern Suite, Old Control Tower, Liverpool Airport. The meeting will be in person with hybrid available as a last resort.

10 **ANY OTHER BUSINESS**

There was no other business.

The Head of Environment and Sustainability demonstrated the mobile noise monitoring equipment to those present, and then took them on a tour of the old control tower (VCR).

ARRIVA X4 Bus Service - Request to re-route through Hale and Halebank

Hi Brian,

As part of the Public Participation at the next PC Meeting, I would like to include the following item.

Arriva North West has recently introduced an express bus service number X4 from Runcorn to Liverpool which operates on a hourly frequency, Monday to Saturday.

The current Route by passes Hale Village using the main road A562 from Widnes to Speke.

My question is:

Will our Local HBC Councillor request that Arriva investigates if this service can be routed through Halebank and Hale Village with a limited number of stops within these locations,

The additional journey time (re-routing) for the X4 service would be minimal and would provide both Hale and Halebank residents/businesses with a quick service into Liverpool (possibly 30/40 minutes) in addition to the current 82A route which takes approximately 60 minutes during off peak times.

The current 82A is an arduous service in to Liverpool which over the years has changed its routing, resulting in ever increasing journey times.

Potentially, this could encourage residents of Hale etc to use Public Transport as an alternative to their cars

Many thanks

Malcolm
